Distributor: Del Rey

Translator: David Ury

ISBN: 0-345-48622-6

### **Grade: 8**

The bossy Kurara may not have any particular interest in romance, but her childhood friend Kouhei has fallen for her—or possibly one of her peripheral personalities, the consequence of Kurara's misadventure with a new virtual reality-type of video game. *Gacha Gacha* creator Hiroyuki Tamakoshi knows his teenage boy audience well and has roguishly snuck in ripe breast and panty shots aplenty, candy-coated with cheap laughs.

Part of the comedy is every time Kouhei has blurted out he likes Kurara he has said it not to the intended target but to a sub-personality. In volume 2, he discovers that Kurara has

other personalities besides the mischievous, promiscuous Arisa. Of course, it can be expected they are going to be just as lusciously naughty and/or entertaining.

I don't know if I'm just getting used to this genre of manga, but ***Gacha Gacha***, volume 2, is pretty funny, though I know girls who would be groaning or lifting an eyebrow to hear that. You'll (probably) end up both laughing at and sympathizing with Kouhei-kun as he tries his best to keep the personality-confused Kurara out of trouble at their high school.
